Open-mindedness is the best feature that defines me. I am a keen team member who believes in mutual learning and instruction in work environments. Being a good and curious self-learner is my biggest talent so that I am enthusiastic to learn new and challenging subjects with a high degree of responsibility. Furthermore, I dedicated myself to increasing my knowledge and hence my abilities in order to be part of the better works.

EDUCATION

Izmir Science High School   **Middle East Technical University**   Civil Engineering

SKILLS

Typescript, Javascript, React, React Native, NextJs, HTML, CSS, Firebase, Git, Mui, AntDesign, Bootstrap, Sanity
